## In-Person Lessons & Zoom

Please ask about the status of in-person lessons. Zoom is also available for both piano and vocal students. Rates are the same as in person lessons. It is preferred to Zoom for the initial FREE consultation.

The drop-off/pick-up door is at the back parking area by the entrance location. Parents may park and wait at that location. One student/family member is allowed at a time. Parents please enter after the previous student has left the studio.

The studio is closed for foot traffic other than the teacher, parents and students.

## Hygiene & Masks

Wash your hands frequently. Upon entering and exiting the studio students may sanitize their hands with sanitizer.

A face mask is worn by the teacher. Parents please wear a mask.

Piano students please wear a mask.

Voice students may take off the mask during lessons.

## **Cleaning**

Baldwin Studios uses sanitary cleaning products including alcohol spray bottles to clean surfaces before and after each lesson. All surfaces students may have used are efficiently disinfected, especially keyboards, door handles, music stands and similar surfaces.

## **Air Circulation**

Studio door is propped open occasionally to allow outdoor air circulation and optimizing studio ventilation.

## **Student Recitals**

Recitals are postponed until further notice although Zoom recitals are ongoing when students are ready. When Baldwin Studios is able to resume recitals in person students may still choose which version they prefer.

## **Updates**

Please keep yourself informed of the latest policies for Nevada Health recommendations at [nvhealthresponse.nv.gov](https://www.nvhealthresponse.nv.gov)

Thank you!
